

RLSL D Series — Linkable

ROTECHLED

RLSL-D4FT40WD-XXK;D4FT40WD-T LED Linear Strip Light

Product Description:

The RLSL D series LED linear light uses high lumens chip SMD 2835, aluminum housing materials. Product can be used pendant, surface mounted, wall mounted, recessed installation. The linear tube lights can be linkable according to the actual application scenario. The use of linear lights is very extensive and you can see them always everywhere.

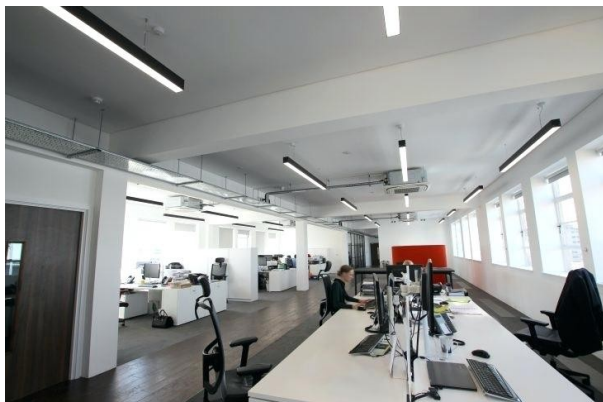

Product Size: 1183*66*70mm

Le Canopy n'est pas inclus,
offert en option

Applications:

RLSL-D4FT40WD-XXK;D4FT40WD-T LED Linear Strip Light

Features:

Product Name : LED Linear Strip Light

Efficiency 110 lm/w

Voltage input: 100-277V

Watt Options: 40W

CRI: >80

CCT Options: 2700K~5700K;CCT Tunable:3000K/3500K/4000K

Dimmable: 0-10V Dimmable

Operating Temp: -25°C~ 50°C

Power Factor: >0.90

Certifications: ETL

Lm80 life Span: >50,000 Hrs

Warranty: 5 years

Lens: Frost

Product Size: 1183*66*70mm

Product Models:

Model	Size	Watt	Lumens	Efficiency	Dimmable	CCT Options
RLSLD4FT40WD-XXK	1183*66*70mm	40W	110Lm/W		Non-Dim	2700K~5700K
RLSLD4FT40WD-T	1183*66*70mm	40W	110Lm/W		0-10V	3000/3500K/4000K
