

RLSL UD Series — Up Down Light

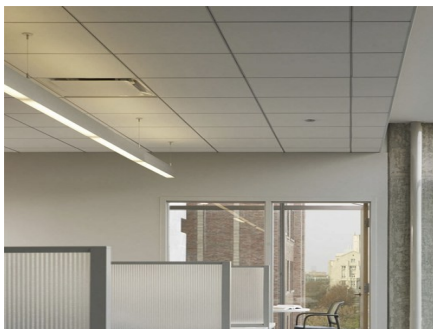

LED Linear Strip Light

Product Description:

RLSL UD series LED linear light uses high lumens chip SMD 2835, aluminum housing materials. Product can be used pendant, surface mounted, wall mounted, recessed installation. The linear lights can be linkable according to the actual application scenario. The most special point is this is double direction light-remitting. The use of linear lights is very extensive and you can see them always everywhere.

Applications:

Office

Bedroom

Le Canopy n'est pas inclus, offert en option

RLSL UD Series — Up Down Light

ROTECHLED

LED Linear Strip Light

Features:

Product Name : LED Linear Strip Light

Efficiency 100 lm/w

Voltage input: 100-277V

Watt Options: 50W (Up 15W; Down 35W)

CRI: >80

CCT Options: 2700K~5700K & 3000K/3500K/4000K or 2700K/3000K/4000K/5000K/5700K Tunable

Dimmable: 0-10V Dimmable

Operating Temp: -25°C~ 50°C

Power Factor: >0.9

Lm80 life Span: >50,000 Hrs

Warranty: 5 years

Certifications: ETL

Dimension: L1200*W70*H80MM

Product Models :

Model	Size	Watt	Lumens Efficiency	Dimmable	CCT options
RLSL UD4FT50W-XXK	L1200*W70*H80MM	50W	100Lm/W	0-10V	2700K~5700K
RLSL UD4FT50WD-T	L1200*W70*H80MM	50W	100Lm/W	0-10V	3000K~4000K Tunable
RLSL UD4FT50WD-ST	L1200*W70*H80MM	50W	100Lm/W	0-10V	2700K~5700K Tunable
